

Bilderberg Grecia: nomi di chi senza un mandato pretende di decidere delle nostre vite

Inviato da Marista Urru
martedì 19 maggio 2009

Sei Italiani erano in Grecia e, senza mandato popolare, senza averci consultato, hanno preso decisioni fondamentali per il futuro nostro e dei nostri figli, nascosti ed incontrollabili come cospiratori.

Franco Bernabè; Mario Draghi; John Elkan; Mario Monti; T. Padoa Schioppa; Romano Prodi.

Perchè questo modo di agire? Una involuzione pazzesca: da uomini liberi a sudditi di gente lontana mille miglia da noi,

che non farà mai il nostro bene , ma solo i propri affari, infatti non ci informa e non rispetta il nostro volere
